🔗 Portfolio

CAREER OBJECTIVE

Motivated Computer Systems Engineering student seeking opportunities to contribute to impactful software and hardware development projects. Passionate about solving real-world problems using intelligent systems and embedded technologies.

EXPERIENCE

Java Development Intern, *Sukkur IBA*   06/2024 – 07/2024
Gained hands-on experience in object-oriented programming and GUI-based application development.

QUALIFICATION

Computer Systems Engineering (BE-CSE), *Sukkur IBA University* ⬚
Currently in 6th semester of BE-CSE, expected graduation Aug 2026

SKILLS

- Effective Communication
- Problem Solving
- Team Work
- Critical Thinking

LANGUAGES

- English
- Urdu
- Sindhi

PROJECTS

Tumor Prediction Using MATLAB ⬚

Image Compression for Efficient Storage and Transmission ⬚

Smart Stick for Blind People ⬚

Smart Sign-Glove ⬚

Automatic-Street-Light ⬚

CERTIFICATES

- Project Exhibition SIBAFEST
- Hackathon
- JaanNisar ,Pakistan Literacy Festival

TECHNICAL SKILLS

- C++
- JAVA
- Machine Learning
- Arduino
- MATLAB
- AUTO CAD
